Heeeeey
Ohhhh
Monday morning rain
Be sports and feed the flame
It's got to be evil
When I hold you there
She's gone away to stay
It's time I get you there

Oh man I've been fooled
No you weren't so cool
Your situtaions plain
Now that I got no one to blame
Hey yeah yeah

I ain't complaining yet
Now that I lost control
But riding signs where there
You left your mark on me
For all the world to see
The dream of my blaa

Oh baby I've been fooled
No you weren't so cool
Situtaions plain
Now that I got no one to blame yeah
Whoa whoa

Oh baby I've been fooled
You know you weren't so cool
Situtaions plain
Now that I got no one to blame yeah
Whoa babe
