

All For Me

Jeff Bernat

I've been so caught up in so much shit
I know it feels like I am barely around
You think I'm out here tryna to stay pimp, and
Now shawty why you having your doubts

Baby girl, you should know I'm always down for you
No one can do everything that you need
I know you know girl that's me
And every time that I tell you how I feel, how I'm feeling you
I ain't telling you nothing but the truth oooh

Girl, your love is unattainable
'Cause don't you know that's all for me
Yeah, that's all for me
And no, don't matter if you're far away
You'll never fade you're all I see
Yeah, that's all for me

That feeling I get kissing your lips, being around you
I can't deal without
Even when, when I'm five thousand miles away
My job's don't make you feel like you're safe and sound

Baby girl you should know I'm always down for you
No one can do everything that you need
I know you know girl that's me
And every time that I tell you how I'm feeling how I'm feeling you
I ain't telling you nothing but the truth

Girl your love is unattainable
'Cause don't you know that's all for me
Yeah, that's all for me
And no, don't matter if you're far away
You'll never fade you're all I see
Yeah, that's all for me

See, I just want you
To know that you are really special
Oh I, Oh I, Oh I, Oh I

I just want you
To know that you are really special
Oh I, Oh I, Oh I, Oh I

Girl your love is unattainable
'Cause don't you know that's all for me
Yeah that's all for me
And no, don't matter if you're far away
You'll never fade you're all I see
Yeah, that's all for me

Girl your love is unattainable
'Cause don't you know that's all for me
Yeah that's all for me
And no, don't matter if you're far away
You'll never fade you're all I see
Yeah, that's all for me
