

# Boogie Down

Jeff Bernat

Hey love  
You can clap your hands in the air  
Saying if you really wanna know baby  
Then you can clap your hands to this

See you've been working overtime  
You can get on down to this  
Just stop what you're doing  
And lady get on down to this

Baby, boogie down  
Show me you're wanting  
We can boogie down  
Up until the morning  
Baby, boogie down  
Show me what you're wanting  
We can boogie down  
Up until the morning

It's not hard to (clap your hands and)  
It's not hard to (move your feet and)  
It's not hard to (shake your hips and)  
It's not hard to (get under then)  
It's not hard to (clap your hands and)  
It's not hard to (move your feet and)  
It's not hard to (shake your hips and)  
It's not hard to (get under then)

Baby, boogie down  
Show me what you're wanting  
We can boogie down  
Up until the morning  
Baby, boogie down  
Show me what you're wanting  
We can boogie down  
Up until the morning
