

Lavish

Jeff Bernat

Drinks and cigarettes
Bright light silhouettes
Big yachts over oceans
Overlooking sunsets
Model chicks, fake wings
Don't forget your Cuban links
Suit and tie type shit
With designer cufflinks
Yellow polka dot bikinis
They sipping martinis
Walking out of suicide doors
Of a Lamborghini
Black card is in the wallet
Rubber bands up in the pockets
Private whip, private jet
Fuck with me 'cause you know I got it

(Hah) But I ain't even 'bout that life
But a part of me could want that life
And I ain't tryna front with you

See I just wanna make a million dollars
And I just wanna have a million followers
But will it all be worth it in the end?
If the lavish life is what I'm really chasin'
See everybody wants a million dollars
And everybody wants a million followers
But will it all be worth it in the end?
If the lavish life is what we really chasin'

You could really have it all (you could have it all)
If the lavish life is what you want
See I done seen so many places
And caught up with all these temptations
Though I never took the time to really value
And I ain't tryna front with ya

See I just wanna make a million dollars
And I just wanna have a million followers
But will it all be worth it in the end?
If the lavish life is what I'm really chasin'
See everybody wants a million dollars
And everybody wants a million followers
But will it all be worth it in the end?
If the lavish life is what we really chasin'

If the lavish life's what you're really chasin'
If the lavish life's what you're really chasin'
If the lavish life's what you're really chasin', yeah
If the lavish life's what you're really chasin'
If the lavish life's what you're really chasin'
If the lavish life's what you're really chasin', yeah

Oh, yeah

See I just wanna make a million dollars
And I just wanna have a million followers

But will it all be worth it in the end? (Will it all be worth it)
If the lavish life is what I'm really chasing
See everybody just wants a million dollars (Everybody wants a million dollar
s)
And everybody wants a million followers
Will it all be worth it in the end?
If the lavish life is what we really chasin'
