

Make It Official

Jeff Bernat

It's not a typical situation
For you to completely be erased from
My memories do slowly fade
But I honestly think you're not one them
No, O, uh

I'm not here to give you complications
Or mess up and give you explanations
Forget your past just know you can be certain
I honestly can't get enough
No, O, uh

So if you're ready you could have all of me
'Cause I've been knowing that it's you that I need
Now what's the point if we are more than friends
So girl let's go and make it official yeah

There's no need for trippin'
And for worrying
Some people dip
And end up always doing the same thing
But see I'm not just somebody
Somebody that wants too
Have you for one night
Then leave you hanging alone and all confused

I'm not here to give you complications
Or mess up and give you explanations
Forget your past just know you can be certain
I honestly can't get enough
No, O, uh

So if you're ready you could have all of me
'Cause I've been knowing that it's you that I need
Now what's the point if we are more than friends
So girl let's go and make it official yeah
