Jeff Bernat

W-J-B 2

Welcome back ladies and gentlemen  
This is yours truly  
J to the B to the I-R-D  
And right now it's about time to wind things down  
For the slow jam hour  
Dusk is approaching  
The sun is setting  
And the time couldn't be more perfect  
As we just got hold of a brand new  
Exclusive cut from my man Jeffrey B  
This one is called "Come Through"  
And ladies, ya'll's definitely wanna vibe to this one  
So stay tuned  
With yours truly  
J Bird on the slow jam hour
