

## With Love

Jeff Bernat

Do I ever dare to love  
Again monogamy  
Cutting deep in my mind  
Stress on my chest  
Our checkmates  
Are slowly  
Sly to 'em confide  
To 'em  
Girl I'm talking '  
Bout you  
Put two and two together  
That's forever with you  
Do the math don't  
Laugh  
And count it  
The solution is  
Our future  
We are nothing  
Without it  
I said do the math  
Hold my  
Hand and count it  
The solution is  
Our future  
We are nothing  
Without be  
About it  
Love love  
So easy but so hard  
But I'll take my time  
And show you  
You're that girl for  
True love can't  
Ever be  
Explained  
But I'd like to  
Show you  
With my heart and soul  
For you babe  
With love with love  
That's all we  
Really need  
Relationships  
Can't work  
At all without it  
With love with love  
We can do anything  
Believe me girl  
There's  
Nothing else  
Without it  
These days some  
People  
Just can't last  
But I promise that  
I'll try my best to make it forever  
Others don't really understand

Cause their doubt is what  
I know that me and you  
Will stay together  
With love with love  
That's all we  
Really need  
Relationships  
Can't work  
At all without it  
With love with love  
We can do anything  
Believe me girl  
There's  
Nothing else without it  
With love with love  
That's all we  
Really need  
Relationships  
Can't work  
At all without it  
With love with love  
We can do anything  
Believe me girl there's  
Nothing else without it
