Jeff Bernat

See, I be in the studio this evening
Then rockin' at a show somewhere tonight
In the morning I'll be on a plane to Paris
Just to hit the Fashion Week insides

And although I might be working all day
Although I might be coming home late
Don't you worry about a thing
So just as long as you know that

8 o'clock, 1 o'clock, 5 o'clock, all day
I'm grinding
On the clock, off the clock, round the clock
I stay grinding
Then I'll be catching up with folks on Friday
And grab a couple drinks on Saturday
Breakfast with the fam on Sunday then
Monday comes and I'm back up on my grind again

Yeah, it's only Tuesday
Can you try to turn up, girl?
I need to get this track done
And turn it in by tomorrow
You getting days mixed up
Like Tia and Tamara
I can see you in the weekend
Or just pull a chair up

My work ethic, ethic is second to none, none
She want me to sex her so bad, she want some
Ok, maybe I'll take a small break
And give my lady some loving
Then back to plug-in, so she's so stubborn
I'll be back afterwards, getting on a rapper's nerves
Slowing down this song like a glass of purp
But me and Jeff Bernat don't play that game
And I'll put you where the curb at if you behave that way
Let's work

8 o'clock, 1 o'clock, 5 o'clock, all day
I'm grinding
On the clock, off the clock, round the clock
I stay grinding
Then I'll be catching up with folks on Friday
And grab a couple drinks on Saturday
Breakfast with the fam on Sunday then
Monday comes and I'm back up on my grind again
