

You Could Be Ready

Jeff Bridges

You could be ready
Might not know it
You could be ready
Might not show it

You could be ready, might always be
Waitin' for your chance, well, here it is

Oh, you could be ready
You could be ready
You could be ready
For love
You could be ready
For the jump

You could be ready, might always be
Waitin' for your chance, well, here it is

Oh, did you really think that you would stay down?
You might have to hit the bottom to pop out

You could be ready
You could be ready
You could be ready
Might not know it
You could be ready
Might not show it

You could be ready, might always be
Waitin' for your chance, well, here it is

You could be ready
For love
You could be ready
For the jump

You could be ready, might always be
Waitin' around for that sweet kiss
Well, honey, here it is
Let's get out of here and head for bliss

We could be ready
We could be ready
We could be ready
Oh, for love
We could be ready
For the jump
We could be ready
