

All Flowers In Time Bend Towards The Sun

Jeff Buckley

My eyes are
A baptism
Oh, I am fuse
And sing her
Into my thoughts
Oh, phantom elusive thing

Oh, all flowers in time bend towards the sun
I know you say that there's no-one for you
But here is one
All flowers in time bend towards the sun
I know you say that there's no-one for you
But here is one, but here is one...
Here is one
...

Oh, all flowers in time bend towards the sun
I know you say that there's no-one for you
But here is one
All flowers in time bend towards the sun
I know you say that there's no-one for you
But here is one, but here is one...

Keep it going in me, wicked traveller
Fading farther from me
With your face in my window glow
Oh, where will you weep for me?
Sweet willow

It's ok to be angry
But not to hurt me
Your happiness
Yes, yes, yes
Darling, darling, darling

All flowers in time bend towards the sun
I know you say that there's no one for you
But here is one
All flowers in time bend towards the sun
I know you say that there's no one for you
But here is one
All flowers in time bend towards the sun
I know you say that there's no one for you
But here is one
All flowers in time bend towards the sun
I know you say that there's no one for you
But here is one
But here is one
But here is one...
