

## Catnip Dream

Jeff Buckley

He is a cat but he's very very fat  
He's not just a standard cat  
He is a cat but he's still very fat  
American calico cat

Catnip is a kitty cat drug  
One puff two puffs - high in a dream  
Funny kitty's got very sleepy eyes  
I wonder what he's dreaming of  
Catnip Dream Catnip Dream Catnip  
Dream meow meow meow

Catnip dream

He gets his kicks from a tiny toy  
A green frog filled with catnip  
And pretty soon he's going to be seventeen  
Kitty cat birthday party

Catnip is a kitty cat drug  
We plant catnip seeds together  
All summer long he watches it growing  
Dreaming of the harvest moon

Dream meow meow meow

Catnip Dream

He is a cat and he's very very smart  
He knows the coolest place in the yard  
He is the king of the neighborhood
