If you knew how I miss you You would not stay away Don?t you know how I need you Stay here, my dear, with me

I need you here beside me Forever and a day Together, never parted Just you, just me, my love

I can?t go on without you Your love is all I?m living for I love all things about you Your heart, your soul, my love

I can?t go on without you
Forever and a day
I need you here beside me
Forever and a day
And no-one else besides me
I love you, I love you
