

# Your Flesh Is So Nice

Jeff Buckley

I want to tell you a story  
About a little cutey  
She's ass-slappin' pretty  
And voluptuous fingers  
Wanna let her lick me  
Stick the thick of my pussy  
And as I cross the street  
She looks good enough to eat me

Kitty!  
Your flesh is so  
Your flesh is nice  
Your flesh is nice  
Let me take a bite  
Flesh is so nice

Oh, I take off my belt  
Oh, I whip the staircase  
Whip the staircase  
Oh, kill all the men  
Everything's dead to them  
You're the only one I follow  
Come on and let me give you that 'O'

Flesh is nice  
Your flesh is so  
I wanna take you twice  
Your flesh is nice  
Your flesh is so  
Your flesh is nice

Your flesh is nice  
Wanna take a bite  
Your flesh is so [x13]  
Your flesh is so nice (9x)  
Your flesh is so (3x)  
Your flesh is nice  
Your flesh is so  
Your flesh is nice  
Your flesh is so  
Your flesh is nice (4x)
