

## Comedy (Tragedy)

Jeff Satur

Step inside this place where people laughing  
They all show love but inside, feeling nothing  
Wish you were not one of this parody  
But you are nothing but the comedy

Ah, I can't stop laughing now  
Ah, you are the best comedian  
Ah, can't wait for that last punchline

Step inside the one strangest opera  
Where everybody's dancing without music  
Wish you were not one of this parody  
But you are nothing but the comedy

Ah, I can't stop laughing now  
Ah, you are the best comedian  
Ah, can't wait for that last punchline

Ah, I can't stop laughing now  
Ah, I am the best comedian  
Ah, can't wait to say that punchline
