2 Late 4 Goodbyes

Jeff Scott Soto

I can't believe what u're doing 2 me
Just can't believe what u're doing
All of the lies u want me 2 believe
Who do u think u're fooling?

Lately u got me thinking
Oh, why go on?
It's all so plain 2 see
& I think we both agree that it's much...

Much 2 late (it's much 2 late) 4 goodbyes, oh it's much...
Much 2 late (it's much 2 late) 4 the lonely tears u cry

Nobody wins once the games all begin
Nobody's into u're thinking
Your masquerade is the card that u play
Drowned by the bluff you're bringing

No truth 2 your confession
When will it end?
U were once my only 1
But now the damage is done, now it's much...

Much 2 late (it's much 2 late) 4 goodbyes, oh it's much...
Much 2 late (it's much 2 late) 4 the lonely tears u cry
Much 2 late (it's much 2 late) 4 goodbyes, oh it's much...
Much 2 late (it's much 2 late) 4 the lonely tears u cry

Much 2 late (it's much 2 late) 4 goodbyes, oh it's much...
Much 2 late (it's much 2 late) 4 the lonely tears u cry
Much 2 late (it's much 2 late) 4 goodbyes, oh it's much...
Much 2 late (it's much 2 late) 4 the lonely tears u cry
