

## 4 U

Jeff Scott Soto

Lay your body down, come a little closer  
The night belongs 2  
U & me, oh love  
There's no denyin' the things i  
Wanna do with u

Just thinkin'  
Bout your every touch  
Drivin me crazy& if i try 2  
Tell u what u mean 2 meI'd only lose those words

Chorus:

Ooh baby, the 1 think i knowIs  
I won't let u go, no, no  
& if you're ever lonely...  
I'll b there 4 u  
Close your eyes now  
DarlinLet me take off all your clothes  
As i whisper a  
Fantasy or 2, oh baby  
If i promised 2 take it slow  
Darlin',  
Can we go all the way?  
Justdreamin' bout your every touch  
Drivin' me crazy& every little thing u do 2 me  
Really turns me  
OnOh, mama the 1 thing that's trueIs i  
Won't let u go, no.& if u ever need me

I'll b there 4 uI  
Just don't care about wrong or  
Right, no  
All i care baby, all i care baby,  
Is 'bout u & me, u & me 2night

Just thinkin'  
Bout your every touch  
Drivin me crazy& if i try 2  
Tell u what u mean 2 meI'd only lose those words

Chorus:
