

# Betrayed

Jeff Tweedy

Betrayed  
Betrayed

Deeper in the mirror  
Under a dark marquee  
Dreaming I'm awake  
Wishing I was still asleep

Betrayed  
Betrayed

I broke my finger  
Playing middle C  
I keep trying to get you  
Just to notice me

Betrayed  
Betrayed

Sleepier and sleepier  
Eyeing the ice in my Chablis  
Are you far away  
Or are you close enough to be

Betrayed  
Betrayed

Eating with my family  
Watching KMOX TV  
Wasn't I guaranteed  
By now, there'd be killer bees?
