

Filled With Wonder Once Again

Jeff Tweedy

I had near
Forgotten everything
When I heard you
Doing nothing in the rain

And I am filled
With wonder once again
Yeah, I am filled
With wonder once again

How this world
Can keep a man in chains
Yeah, how this world
Sure can keep a man in chains

But I am filled
With wonder once again
Yeah, I'm filled with wonder once again
Yeah, I'm filled with wonder once again
Yeah, I'm filled with wonder once again
Yeah, I'm filled with wonder once again
Yeah, I'm filled with wonder once again
Yeah, I'm filled with wonder once again
