

Half-Asleep

Jeff Tweedy

Half asleep
All your dreams
Come alive
You're all I need
Come to me
Close your eyes
There's no other
There's no one
No one
But you

Half of me
Still believes
We never die
Won't you lay
Next to me
Close your eyes
There's no other
There's no one
No one
But you

When you need me
I'll be there
When you need me
I'll be there
When you need me
I'll be there
When you need me
I'll be there
When you need me
I'll be there
When you need me
I'll be there
I'll be there
I'll be there
When you need me

There's no other
There's no one
But you
