

I Specialize in Love

Jefferson Airplane

Hey little girl what's wrong with you?
Is there something that I can do?
Is that a tear falling from your eye?
Oh little girl, please don't cry
Is there something that I can do?
And I'll be glad to help you

Because-a I-I-I
I speciali-i-ize
I speciali-i-ize
I specialize in love

Hey little girl, don't be sad!
Oh, if you [?] make you mad
And if you ever start to cry
Come over here, by my side
If there is something that I can do
And I'll be glad to help you

Because-a I-I-I
I speciali-i-ize
I speciali-i-ize
I specialize in love

Many girls have found me fine
Cause I treat them gently kind
They forget the boy they once knew
Cause no one can love 'em just like I do!

Because-a I-I-I (Oh, Yeah)
I speciali-i-ize (Oh, Yeah)
I speciali-i-ize (Oh, Yeah)
I specialize in love (Oh!)

I specialize! (Oh)
Oh yeah I specialize! (Yeah)
(Oh) What did I say?
(Yeah) I specialize!
(Oh) Come here, doll! (Yeah)
I specialize! (Oh)
Oh yeah I specialize!
I want you!
I specialize!
Oh yeah, I specialize!
