

Rock Me Baby

Jefferson Airplane

Rock me baby
Rock me all night long I said rock me baby
Rock me all night long I said rock me baby
Rock me all night long I said roll me baby
Like a wagon wheel
Oh, roll me baby
Like a wagon wheel I said roll me baby
Just don't know how good you make me feel
I said rock me baby
Rock me all night long I said rock me baby
Rock me all night long I said rock me baby
Rock me all night long
Won't you roll me baby
Like a wagon wheel I said roll me baby
Like a wagon wheel I said roll me baby
Just don't know how good you make me feel
