

## Share a Little Joke

Jefferson Airplane

A friend of mine asked me  
Where has he been  
Where is he now?  
I said he's been set free  
Shares a little joke with the world somehow

Sounded like he'd make a halo  
When I heard his laughter floating  
It's all for fun you know  
He said he just let go  
Shares a little joke with the world

World around you  
Never catches up with you

How can I make you as happy as I am  
I feel like you're running  
I know we could fly  
Your eyes are never tired  
Your mind is on fire  
Your heart has never been satisfied

Some people are in love  
Some people know everything can be done  
I think you're joking  
I believe in half of you  
I want to journey  
I want to laugh with you  
But after you  
Share a little joke with the world

World around you  
Never catches up with you
