

# Heart Surgery Isn't That Bad...

Jeffree Star

I dont think  
I don't think you're ready for this...  
Here we go...

Pink diamonds shining  
Fuschia lust  
Heart-shaped bruises  
For both of us

You see me watching  
The lights are low  
Your body's waiting  
You can't say no

(2x)  
Let me show you how it works...  
(Lets get out of here)  
Let me show you how it works, I like it hard...

Come on.. Let's get out of here  
I wanna take your hand and disappear  
Come on... Let's get out of here  
I whisper in your ear... "I wanna..."

You like it fast...  
I like it hard  
You like it fast  
I like it hard  
You like it fast  
I like it hard  
Bitch!

Mirrors are breaking  
Vanity crush  
Perfection climbing  
All eyes on us

We both stop breathing  
The music fades  
Hands start touching

Don't be afraid...

(2x)  
Let me show you how it works...  
(Lets get out of here)  
Let me show you how it works, I like it hard...

Come on.. Let's get out of here  
I wanna take your hand and disappear  
Come on.. Let's get out of here  
I whisper in your ear.. "I wanna..."

You like it fast...  
I like it hard  
You like it fast  
I like it hard

You like it fast  
I like it hard  
You like it fast  
I like it hard

You like it fast...  
I like it hard  
You like it fast  
I like it hard  
You like it fast  
I like it hard  
You like it fast  
I like it hard

(2x)  
Let me show you how it works...  
(Lets get out of here)  
Let me show you how it works, I like it hard...

Come on.. Let's get out of here  
I wanna take your hand and disappear  
Come on.. Let's get out of here  
I whisper in your ear... "I wanna..."

Uh... Uh... Uhhh
