

# MissBehavin

Jeffree Star

MissBehavin with a stranger  
I kinda like the danger  
Don't get caught up in confusion  
Fooled by the illusion

It's alright  
If you shake it shake it ahh  
All night, baby you and I  
MissBehavin all night  
Out of sight  
Or we can do it in the spotlight

The first time that I saw you  
I couldn't ignore you  
Out on the floor  
Over the top  
I like your mister out of control style  
It'll be fun for a while

It's alright  
If you shake it shake it ahh  
All night, baby you and I  
MissBehavin all night  
Out of sight  
Or we can do, do it in the spotlight

Do it in the spotlight  
In the spotlight  
Do it in the spotlight  
In the spotlight
