

Concentrate on You

Jeffrey Osborne

You're a silhouette of splendor I love to remember
Through it helps me through, these hours I spend away from you

People wonder how I do it. oh it aint nothing to it
These gentle thoughts of you, makes it all worth going through

You gave me a special kind of feeling
Makes it so easy and oh so pleasing

Concentrate on you . Concentrate on you yeah

Ahh It takes separation to bring appreciation
And I wanna thank you, for all the love too
