

# Let a Brotha Know

Jeffrey Osborne

Last night I really couldn't get to sleep  
Don't know what the hell was wrong with me  
But I couldn't sleep 'cause I couldn't keep  
You off my mind  
[?] every way  
But I need to know you feel the same  
Baby if ya can, every now and then tell me

Tell me that you love me, ooh baby (Tell me baby)  
If you love me so, let a brotha know  
Tell me that you need me, ooh baby (Tell me baby)  
If you need me so, let a brotha know  
That you care

Tell some friend and in the middle of the night  
'Cause I really wanna get it right  
Wanna take your hand, wanna be a man  
All of the time  
Hey this isn't really trigonometry  
Two in love, there's one in harmony  
Girl I'm meant for you, all you gotta do is tell me

Tell me that you love me, ooh baby (Tell me baby)  
If you love me so, let a brotha know  
Tell me that you need me, ooh baby (Tell me baby)  
If you need me so, let a brotha know  
That you care

(Oh-whoa-whoa) Oh, baby, baby  
(Oh, oh-oh, oh-oh, oh-oh) Tell me, tell me, tell me  
(Oh-whoa-whoa) Mmh, yeah-yeah, yeah  
(Oh, oh-oh, oh-oh, oh-oh) Oh-ah, talk to me, talk to me

Baby you and me, possibility for the rest of our lives (Mmh, baby)  
All I'm saying is that I wanna live with you by my side (Oh, baby)  
Baby you and me, that's what it's supposed to be for the rest of our lives ( [?])  
Just tell me that you care, I just wanna hear it (Tell me)

Tell me that you love me, ooh baby (Tell me baby)  
If you love me so, let a brotha know  
Tell me that you need me, ooh baby (Tell me baby)  
If you need me so, let a brotha know  
That you care

(Oh-whoa-whoa, tell me baby)  
(Oh, oh-oh, oh-oh, oh-oh)  
...

Tell me that you love me, ooh baby (Tell me baby)  
If you love me so, let a brotha know  
(Oh, oh-oh, oh-oh, oh-oh, tell me baby)  
(Oh, oh-oh, oh-oh, oh-oh) Talk to me, talk to me  
Talk to me, talk to me  
(Oh-whoa-whoa, tell me baby)  
(Oh, oh-oh, oh-oh, oh-oh) Oh, baby, baby
