

Who You Talkin To?

Jeffrey Osborne

Who you talkin' to?
Who you talkin' to?
Oh, whoa-whoa-whoa-whoa...
Who you talkin' to?

Just because you happen to be friends
Of a friend of mine
That don't mean that automatically
You and I are tight

Furthermore, before you go too far
Let me caution you, yeah
You, my friend, just might be bitin' off
More than you can chew, yeah

And you're a sassy, frassy one
Obviously everyone can tell
But I beg your pardon
But you really don't know me that well

Hey, who, who, who, who, who
Who you talkin' to?
Oh, whoa-whoa-whoa-whoa...
Who you talkin' to?

You've got so much to say 'bout everyone
That's incredible, yeah
Someone like yourself is often called

A Mr. Know-It-All, yeah

You're a sassy, frassy one
Obviously everyone can tell
I beg your pardon
But you really don't know me that well

Hey, who, who, who, who, who
Who you talkin' to?
Oh, whoa-whoa-whoa-whoa...
Who you talkin' to?

Tell me who
Who you talkin' who?

You're a sassy, frassy one
Obviously everyone can tell
I beg your pardon
But you really don't know me that well

Hey, who, who, who, who, who
Who you talkin' to?
Oh, whoa-whoa-whoa-whoa...
Who you talkin' to?

Who, who, who, who, who
Who you talkin' to?
Oh, whoa-whoa-whoa-whoa...

Who you talkin' to?
