

# You Should Be Mine (woo Woo Song)

Jeffrey Osborne

When you want all the love you deserve  
And the heat's on your mind  
Don't you even think about it  
I'll be there just wrapped around you

I can't hold back what I feel inside  
It's just a fact

That you should be mine, anything you want  
You've got to fortify my love, you fortify me  
You should be mine, anything you want  
You've got to fortify my love, you fortify me

Can you woo-woo-woo? Can you woo-woo-woo?  
Can you woo-woo-woo? Should be mine, all mine

Any way that your heart has been denied  
Ooh, you can come to me  
Every time that were together  
Just becomes the good thing we've got

And something this good can't be defined  
One thing's for sure

That you should be mine, anything you want  
You've got to fortify my love, you fortify me  
You should be mine, anything you want  
You've got to fortify my love, you fortify me

Can you woo-woo-woo? Can you woo-woo-woo?  
Can you woo-woo-woo? Should be mine, all mine  
Can you woo-woo-woo? Can you woo-woo-woo-woo?  
Can you woo-woo-woo? Should be mine

In the height of your worry  
Worries runnin' too deep for you  
When it all becomes too much, too much  
Too much, I'll pull you through

I can't hold back what I know inside  
It's just a fact

That you should be mine, anything you want  
You've got to fortify my love, you fortify me  
You should be mine, anything you want  
You've got to fortify my love, you fortify me

Can you woo-woo-woo? Can you woo-woo-woo?  
Can you woo-woo-woo? Should be mine, all mine  
Can you woo-woo-woo? Can you woo-woo-woo-woo?  
Now, can you woo-woo-woo? Should be mine

Can you woo-woo-woo? Can you woo-woo-woo?  
Can you woo-woo-woo? Should be mine, all mine  
You should be mine, you should be mine
