

Major

Jekalyn Carr

I can see it, I can hear it, I can feel it, I can
I can see it, I can hear it, I can feel it, I can
I can see it, I can hear it, I can feel it, I can
I can see it, I can hear it, I can feel it, I can

I can't explain it but I know that it's major
I can't explain it but I know that it's major
I can't explain it but I know that it's major
I can't explain it but I know that it's major

I can see it (I can see it, I can hear it, I can feel it, I can)
(I can see it, I can hear it, I can feel it, I can)
(I can see it, I can hear it, I can feel it, I can)
(I can see it, I can hear it, I can feel it, I can)

I can't explain it (I can't explain it but I know that it's major)
(I can't explain it but I know that it's major)
I can't explain it (I can't explain it but I know that it's major)
I can't explain it (I can't explain it but I know that it's major)

I can see it (I can see it, I can hear it, I can feel it, I can)
That should be your testimony
I can see it (I can see it, I can hear it, I can feel it, I can)
I can see it (I can see it, I can hear it, I can feel it, I can)
I can see it (I can see it, I can hear it, I can feel it, I can)

I can't explain it (I can't explain it but I know that it's major)
I can't explain it (I can't explain it but I know that it's major)
I can't explain it (I can't explain it but I know that it's major)
I can't explain it (I can't explain it but I know that it's major)

I can't explain (I can't explain)
I can't explain (I can't explain)
I can't explain (I can't explain)
I can't explain (I can't explain)
I just know that it's major (I can't explain)
I just know it's major (I can't explain)
I can't explain it (I can't explain)
But I know, but I know (But I know that it's major)

I can see it (I can see it, I can hear it, I can feel it, I can)
(I can see it, I can hear it, I can feel it, I can)
Say I can see (I can see it, I can hear it, I can feel it, I can)
(I can see it, I can hear it, I can feel it, I can)

I can't explain it (I can't explain it but I know that it's major)
Say (I can't explain it but I know that it's major)
I can't explain (I can't explain it but I know that it's major)
I can't explain (I can't explain it but I know that it's major)

I see miracles
I see miracles
I see miracles
And they're happening for you and you and you and you
I just need you to know tonight
You are a miracle
You are a miracle

Can you just wave you hand in the air and say
I am a miracle
I am a miracle
And He made me one, He made me one today, today, today
I can't explain it everybody

(I can't explain it but I know that it's major)
Say (I can't explain it but I know that it's major)
I can't explain (I can't explain it but I know that it's major)
I can't explain (I can't explain it but I know that it's major)

If you believe, then clap your hands and give a praise up in here
