

My Always

Jekalyn Carr

Oh, yeah yeah yeah yeah
Eh, mm

Hey
I call you El-Gibbor (Mighty warrior)
Cause You have done me good
Whenever I got weak
You said the rest is on me

The proof is even in your stripes
Lord you changed my life, eh
As I see where I am now
What I'm really trying to say is

You didn't let me down
(I said you didn't, no you didn't no)
Down
(I said you don't, no your didn't no)
No, you didn't you let me down
(I said you didn't no, you didn't no)
Down

Lord I thank you cause you are my always
(Jehovah Jireh) You are my always

You are my provider (You are my always)
I said I know you for myself
You are my always
I even tried you for myself I know that (Oh na na, yeah oh na na na na)

Even through the fire
Your Grace sustained me

You made a decree
You brought me into destiny
Oh it's obvious
