

# Song Of Thanksgiving

Jekalyn Carr

Hmmmm

Na na na

I can stand here and testify

But it'll take eternity

Mmm

It's been no secret, mmm

That you've been with me

You've been a present help in my lifetime

I've got so many stories

You didn't fail me one time

This is my song of Thanksgiving

You know who you've been to me

This is my song of gratitude

You know how good you've been to me

Hmmmmm

Na na na

Naaa

Mmm

I can stand here and testify

But it'll take eternity

It's been no secret, no

That you've been here with me

You've been a present help in my lifetime

I've got so many stories

You didn't fail me one time

This is my song

(This is my song of Thanksgiving)

Oooo, You know who You've been to me

(You know who You've been to me)

This is my song

(This is my song of gratitude)

Ahhhhh, hey!

(You know how good you've been to me)

Oooo

Mmm

This is my song

My song

(This is my song of Thanksgiving)

My song

I've got to tell You how thankful I am, Lord

(You know who You've been to me)

You've been a healer

Deliverer

Redeemer, yeah

Hey

(This is my song of gratitude)

Oh Lord you know how good

How good you've been to me

(You know how good you've been to me)

Mmmmmmm

I am forever grateful  
I'm always thankful  
You have changed my life  
And I won't forget all  
The things you've done  
I will testify

I am forever grateful  
Always thankful  
You have changed my life  
And I won't forget all  
The things you've done  
I will testify

I am forever grateful  
I'm always thankful  
You have changed my life  
And I won't forget all  
The things you've done  
I will testify

This is my song

(This is my song of gratitude)  
Oh I've got a song of Thanksgiving, Lord  
Oh, it's the least I could do  
It's all for you
