

We Are One

Jekalyn Carr

Common clap your hand

We are God's people
We are his people
Called out of darkness
A chosen generation
We are God's people
We are his people
Called out of darkness
A chosen generation
We are God's people
We are his people
Called out of darkness
A chosen generation

One nation under God
His daughters and his sons
Created for all to see
His splendor and his glory
Ohohohoh
We are one (we are one)
Ohohohoh
We are one (we are one)
Now everybody clap clap
Common
Let me see you clap
Y'all ready say
We are God's people
We are his people
Called out of darkness
Chosen generation
One nation under God
His daughters and his sons
Created for all to see
His splendor and his glory
Ohohohoh
We are one
Ohohohoh
We are one
Now everybody clap clap
Common

From coast to coast
We are kings and queens
We reign in royalty
