

We Will Stand

Jekalyn Carr

If you pray for me
And I pray for you
We will stand, stand
We will stand

Everybody, everybody stand
Oh oh oh oh oh

If you show love to me
And I show love to you
We will stand, stand
We will stand

Everybody, everybody stand
Oh oh oh oh oh

If you care for me
And I care for you
We will stand, stand
We will stand

Everybody, everybody stand
Oh oh oh oh oh
Everybody, everybody stand
Oh oh oh oh oh

We won't fall
We won't bend
We won't break
We will win
We will stand, stand
We will stand
We won't be frightened
We won't move
We will fight to live right
We will stand, stand
We will stand

Everybody, everybody stand
Oh oh oh oh oh
Everybody, everybody stand
Oh oh oh oh oh

We will stand, stand
We will stand
We will stand, stand
We will stand
We will stand, stand
We will stand

Everybody, everybody stand
Oh oh oh oh oh
Everybody, everybody stand
Oh oh oh oh oh

We won't fall
We won't bend

We won't break
We will win
We will stand, stand
We will stand
We won't be frightened
We won't move
We will fight to live right
We will stand, stand
We will stand

We will stand, stand
We will stand
We will stand, stand
We will stand
We will stand, stand
We will stand

Everybody, everybody stand
Oh oh oh oh oh
Everybody, everybody stand
Oh oh oh oh oh

If you pray for me
And I pray for you
We will stand, stand
We will stand
If you show love to me
And I show love to you
We will stand, stand
We will stand

We will stand, stand
We will stand
We will stand, stand
We will stand
We will stand, stand...
We will stand...

If you pray for me
And I pray for you
We will stand, stand
We will stand
If you show love to me
And I show love to you
We will stand, stand
We will stand
If you care for me
And I care for you
We will stand, stand
We will stand

We will stand, stand
We will stand
We will stand, stand
We will stand
We will stand, stand...
We will stand...
