

You Will Win

Jekalyn Carr

The enemy came up against your home
The enemy came up against your children
The enemy came up against your name
The enemy came up against your character

(Despite it, what it looks like)
You will win, win
You will win, win

The enemy came up against your health
The enemy came up against your finance (your finance)
The enemy came up against your vision
The enemy came up against your business

(Despite it, what it looks like)
You will win, win
You will win, win
You will win, win
You will win, win
I know you're hurt
I know you're torn
I know you're broken but
You will win
All of those may be facts
But the truth still remains
That in the name of Jesus!
You will win!

It's my winning season
It's my winning season
It's my winning season
(It's my winning season)
It's my winning season
It's my winning season
It's my winning season
(It's my winning season)
Everything attached to me wins
Everything attached to me wins
Everything attached to me wins
(Everything attached to me wins)

You will win, win
You will win, win
You will win, win
You will win, win

It's my winning season
It's my winning season
It's my winning season
It's my winning season
It's my winning season
It's my winning season
It's my winning season

It's my winning season
It's my winning season

It's my winning season
It's my winning season
It's my winning season
It's my winning season
It's my winning season
It's my winning season
Everything attached to me wins...
