

We so holy, oh so heaven sent
Guess we know that's evident
Actin' like we innocent
That's not what my inner sense say
He my sensei
Ain't been there in ten days
Oh I mean the dojo
Okay more like twenty
I know I been driftin'
Won't be liftin' off the ground
If I'm actin' what I'm thinkin'
I ain't never safe and sound
I've just changed up maybe lanes up
'Cause the people that surround
There's the grades, put the jane up
And the other ones are clowns, but
On the real I've been on a mission
Gave the parents a proposition
Stop the sport, this intermission
I'll follow art and my inner vision
But lately they just hate me and that makes me hate myself
Will I fail, well okay maybe
But I know I'll get this wealth, yeah
(Uh huh)

Always on my mind, know I gotta grind
Always on my mind, but it's fine
Always on my mind, know I gotta grind, but it's fine
Always on my mind, always on my mind
All the time
Always on my mind, know I gotta grind, but it's fine
Always on my mind, know I gotta grind, but it's fine
All the time
All, always on my mind, but it's fine, know I gotta grind
Know I gotta grind, all the time
Always on my mind...
