

## Destinesia II

Jelani Aryeh

These thoughts, these thoughts  
Never getting out of my head  
(Oh oh they never did, oh oh they never did)  
I'm alone a lot  
Rather be in my bed  
(A a alone, a a lone)

But I'd be damned if I never chased you from the start  
And I'd be damned if I didn't wanna follow heart  
And I'd be damned if I thought leaving my home was smart  
And I'd be damned if I, I, aaah

All this destinesia's got me wildin' out, wildin' out  
Oh what is my cause I hope I'm finding out, finding out  
I've been on this journey for awhile now  
All this destinesia's got me wildin' out  
And I be screaming (aaaah)  
And I be screaming (aaaah)

Beat up, bashed down  
Bodies freakin' on the floor  
(Oh, I can't feel no more)  
(Oh, I can't feel no more)  
Please dad, please dad  
Don't open my freakin' door  
(Oh, oh, oh, not my door)  
(Oh, oh, oh, not my door)  
All these thoughts controlling me  
They holding me out  
But somewhere deep inside of me  
I'm wondering how  
I try to speak to God but he ain't finding me now  
I thought he had an eye on me, they lied to me

But I'd be damned if I never chased you from the start  
And I'd be damned if I didn't wanna follow heart  
And I'd be damned if I thought leaving my home was smart  
And I'd be damned if I, I, aaah

All this destinesia's got me wildin' out, wildin' out  
Oh what is my cause I hope I'm finding out, finding out  
I've been on this journey for awhile now  
All this destinesia's got me wildin' out  
And I be screaming (aaaah)  
And I be screaming (aaaah)
