

JELEEL! Yeah

Enter my room and she jump on it  
Enter ya womb, yeah she want all of it  
Gyal wanna boom, like the bomb bomb hit  
Gyal wanna come, me no wanna finish

Move dat ting in reverse  
Shakin' your nyash  
Like Shalli e don cast, she say she no pass  
She want me for the flavor, she no dey want  
She want me for the flavor, she no dey want

Punani tight, so me can't fit it in  
Make it rain all the way, so she gwarn grip it in  
The way she fights like she Mike Tyson  
Make her go so far with just one finger in  
Yup, you really can't pick your pants up  
Your ass is a galaxy, you got a good wine  
Good mentality, and when you at night just imagine me

Enter my room and she jump on it  
Enter ya womb, yeah she want all of it  
Gyal wanna boom, like the bomb bomb hit  
Gyal wanna come, me no wanna finish

Move dat ting in reverse  
Shakin' your nyash  
Like Shalli e don cast, she say she no pass  
She want me for the flavor, she no dey want
