

MACARENA!

JELEEL!

Kash make it bang, yeah
JELEEL!, yeah

Gyal wan' dive, let me know
She wan' feel up, she back that down
Now, gyal keep callin' me now
She-shes' a killer, she want that now, now

Selena, she liking my steeze, ah
Turning around and around like Tina
Touching her toes and her head, Macerena
I'm up in the sky, in her thighs, no Nina
Selena, she liking my steeze, ah
Turning around and around like Tina
Touching her toes and her head, Macerena
I'm up in the sky, in her thighs, no Nina

I got five gyal's comin' through, now
Big fine like they be, though, ha
Let's ride out in the Rolls, ha
She want me to slide in her hole

Said she likes my vibes, no shame
[?], my baby

Gyal wan' dive, let me know
She wan' feel up, she back that down
Now, gyal keep callin' me now
She-shes' a killer, she want that now, now

Selena, she liking my steeze, ah
Turning around and around like Tina
Touching her toes and her head, Macerena
I'm up in the sky, in her thighs, no Nina
Selena, she liking my steeze, ah
Turning around and around like Tina
