

Mercy

JELEEL!

Mercy
Damn
Mercy
Pull up on the block begging Mercy
Always on the plot, you can't Hurt me
Mercy
Damn
Mercy
Pull up on the block begging Mercy
Always on the plot, you can't Hurt me
I know what I had wrong
Now I know that the bad is gone
And the hungry, don't last long
That's a home for the bad ones
Every time I wake up, someone dead, gunshot
Why they put a bullet through his head
One shot
Two shots
Three shots
Lead
Gun cocked
Where he gonna go when it ends
One God
One God
Oh God
Mercy
Damn
Mercy
Pull up on the block begging Mercy
Always on the plot, you can't Hurt me
