

Midnight!

JELEEL!

JELEEL!, YEAH!

Hol' up, you walked right on midnight
I can read your thoughts when you in that midnight
Show up, I'm all night, you in, right?
And I feel like God, when I'm in that midnight
Hol' up, you walked right on midnight
I can read your thoughts when you in that midnight
Show up, I'm all night, you in, right?
And I feel like God, when I'm in that midnight

Who's that creeping through my window
Ah shit, damn a ***** sinful, ah
This is who she wanna blow a kiss for, ah shit
Tell me what you live for, ah
Why you playin'?
I don't play, yuh
I'm so way up
You should wake up
Come in space, yuh
To my face, yuh
I can make ya (Make ya)
I can break ya

Do it, I'll do it
Who is- I'll do it
This is termination
Wake up, pray up
Ain't no game, yuh
Ain't no way out
Talk to me, come talk to me
Come alone with me
Ain't no playground
Vibe with me
Come walk with me
Come alone with me

Hol' up, you walked right on midnight
I can read your thoughts when you in that midnight
Show up, I'm all night, you in, right?
And I feel like God, when I'm in that midnight
Hol' up, you walked right on midnight
I can read your thoughts when you in that midnight
Show up, I'm all night, you in, right?
And I feel like God, when I'm in that midnight

Shh, hush
Don't say nun'
Yuh, don't say nun'
