

Red Light!

JELEEL!

(CONNIE, are you fucking kidding me?)
JELEEL!, yeah

You don't wanna get stopped at the red light
I was in that drop-top with the headlights
It's a one way flight on the red light
You don't wanna get got at the red light
You don't wanna get stopped at the red light
I was in that drop-top with the headlights
It's a one way flight on the red light
You don't wanna get got at the red light

You don't wanna get got like him
Now she on my tip-top like yeah
We can go head-to-toe, it's a win (Win, win)
Watch a nigga lift off in the air
Bad shit, better back up
Crackin', not the last one
Bandage, wanna have fun?
Bad shit, back to action

All they really know is the go but they won't stop
Who you gonna call when the war start?
Shut up (Shut up), crashing your car (Yeah)
What's up? Put that in park

You don't wanna get stopped at the red light
I was in that drop-top with the headlights
It's a one way flight on the red light
You don't wanna get got at the red light
You don't wanna get stopped at the red light
I was in that drop-top with the headlights
It's a one way flight on the red light
You don't wanna get got at the red light
