

# Rocketship!

**JELEEL!**

It was nice to leave ya  
I don't wanna see ya  
I'ma run it like a meta  
I'ma bust it like a speaker  
It was nice to leave ya  
I don't wanna see ya  
I'ma run it like a meta  
I'ma bust it like a speaker  
And she be like "Hey Jeleel"  
Pull out the whip and get to me please  
Why you be all s-silly  
Me not a keeper, I need to leave  
What is it the matter (Dada, dada)  
Callin' me dada (Dada, dada)  
What is it the matter (Shotta, dada)  
Callin' me dada  
Runnin' to the tip-tip-top  
And I cannot stop 'til I reach the top  
Pull out the rocketship everyone  
Pull out the rocketship everyone  
And I got a j-j-job and I cannot stop 'til I reach the top  
Pull out the rocketship everyone  
Pull out the rocketship everyone

One, two, three  
One, two, three  
She don't really like me  
I can see, I can see  
You just want my green  
Believe ya, don't believe ya, don't wanna see ya  
Believe ya, don't believe ya, I wanna leave ya

It was nice to leave ya  
I don't wanna see ya  
I'ma run it like a meta  
I'ma bust it like a speaker
