

Sinner!

JELEEL!

JELEEL!, yeah
See me do it like that
Me do it like ah, see how the gun fight
And she moving like that, she moving that back
Ahh, me hafi come right

In the fight I'ma ride with the sinner
Number nine with the line on the trigger
Pull the fye and they die my nigga
One more time for the time they killed us
In the fight I'ma ride with the sinner
Number nine with the line on the trigger
Pull the fye and they die my nigga
One more time for the time they killed us

You don't wanna go like this
All my niggas goal like swish
Cinema, cinema
Why you niggas sinning? uh
Hit him up, ain't fit enough
Me eye shine, yeah, it's so sick, uh
She fine wine, yeah, she so thick, uh
Me ride by and they notice us
Me light fye when I roll it up
She wanna wine, wine, yeah, she wan' soak up
She want mine, mine, yeah, she want so much
I live my life, life, I just want go up
The man die, die, when he want smoke up

In the fight I'ma ride with the sinner
Number nine with the line on the trigger
Pull the fye and they die my nigga
One more time for the time they killed us
In the fight I'ma ride with the sinner
Number nine with the line on the trigger
Pull the fye and they die my nigga
One more time for the time they killed us

Hostage
Tell you straight my brother gone are those days
When I have nothing in mi pocket
Tell me why they wanna come and block me progress
That's the reason why Pretty no dey look face
When I killa dema retire, retire
They know say pretty spit fire, spit fire
I say my brother leave story, leave story
We celebrate the victory, ha
This is for the Likkle boy that say they wanna war me
When we come they just dey dance danana do shoki
When we come they just dey dance danana do shoki

In the fight I'ma ride with the sinner
Number nine with the line on the trigger
Pull the fye and they die my nigga
One more time for the time they killed us
In the fight I'ma ride with the sinner
Number nine with the line on the trigger

Pull the fye and they die my nigga
One more time for the time they killed us
