

SOMEONE!

JELEEL!

JELEEL!, yeah

On the ride with me, someone, someone
Come inside with me, someone, someone
Shut the lights with me, someone, someone
Someone slide with me, someone, someone
On the ride with me, someone, someone
Come inside with me, someone, someone
Shut the lights with me, someone, someone
Someone slide with me, someone, someone

How I run like this, and I stunt like this?
Nigga run up, you gon' get fucked up
One knock like this, and you're punt right, bitch
Nigga run up, you gon' get fucked up

Yo, it's done, killing like it's fun (Yeah)
Sippin' how I'm drippin', now a nigga feelin' numb (Oh)
But I came out, now I'm burning up the sun (Oh)
Love to play now, but I already won
Yeah, if you got sumn' better show me, oh me
All my niggas shootin' like Kenobi, Obi
One, two, three, four, five, why?
You might not make it out alive, die

I be rippin' right, yeah (Yeah)
I be in the night flippin' like, oh (Oh)
And your ho drinking in the night (Yeah)
I don't listen right, yeah (Yeah)
And you know that I fist fight, oh (Oh)
Keep it goin', I'ma keep it right

Niggas got me fucked up
Ever since an infant, TTG, I'm trained to go
Military mind, major Pain'in with a pole
Lookin' how I came into this bitch, I thought I told y'all
On my momma I'm a soldier, don't fold, don't- (Fucked up)
Ever since an infant, TTG, I'm trained to go
Military mind, major Pain'in with a pole
Lookin' how I came into this bitch, I thought I told y'all
On my momma I'm a soldier, don't fold, don't-

On the ride with me, someone, someone
Come inside with me, someone, someone
Shut the lights with me, someone, someone
Someone slide with me, someone, someone
On the ride with me, someone, someone
Come inside with me, someone, someone
Shut the lights with me, someone, someone
Someone slide with me, someone, someone

How I run like this, and I stunt like this?
Nigga run up, you gon' get fucked up
One knock like this, and you're punt right, bitch
Nigga run up, you gon' get fucked up
