

WARNING!

JELEEL!

JELEEL!, yeah

I'ma get it in the morning
I just woke up in the foreign
In the night I'm roaring (Woo)
In the night I'm roaring (Woo)

Hit 'em like wow, warning (Woo)
Hit 'em like wow, warning

Yeah, sure did, I'ma hit the shot like Jordan
Too much sauce, pouring
Yeah, I'm too damn hot, scorchin
And it's fire, cutting it up the wire
Niggas never tired, you don't wanna die, yeah
In the night I'm runnin' with the riders
You don't want no smoke, dawg
We gon' bring the light up
Fuck what you thought, what you heard
I'm the biggest bird, I got diesel on my shirt
Pull up in the Urus, throw these niggas on a shirt
She just wanna flirt, she gon' hit that right there, right there

I'ma get it in the morning
I just woke up in the foreign
In the night I'm roaring (Woo)
In the night I'm roaring (Woo)
I'ma get it in the morning
I just woke up in the foreign
Hit 'em like wow, warning (Woo)
Hit 'em like wow, warning
