

WARTIME!

JELEEL!

Aqua Society

I just woke up, it's a new day
Everyone around me too fake
Nowadays, love is the new hate
Talk shit, I'ma punch your fucking face

See, I don't got the fuckin' time (Oh yeah)
I'm just tryna get what is mine (Oh no)
I don't give a fuck if a nigga cry (Oh yeah)
If you gettin' to me, guess it's wartime (Oh, what's up?)
See, I don't got the fuckin' time (Oh yeah)
I'm just tryna get what is mine (Oh no)
I don't give a fuck if a nigga cry (Oh yeah)
If you gettin' to me, guess it's wartime (Oh, what's up?)

Oh nah, nah, nah, nah, nah, nah
I be rippin' shirts, yah, yah, yah, yah
In my dream, make me sick like the [?] ers
Used to look on the floor for some quarters
Can I [?] for the green
Yeah, for the green, yeah, for the green
And they were so mean
Now they wanna be so close to me

I just woke up, it's a new day
Everyone around me too fake
Nowadays, love is the new hate
Talk shit, I'ma punch your fucking face

See, I don't got the fuckin' time (Oh yeah)
I'm just tryna get what is mine (Oh no)
I don't give a fuck if a nigga cry (Oh yeah)
If you gettin' to me, guess it's wartime (Oh, what's up?)
See, I don't got the fuckin' time (Oh yeah)
I'm just tryna get what is mine (Oh no)
I don't give a fuck if a nigga cry (Oh yeah)
If you gettin' to me, guess it's wartime

I don't even need her
She just want me but I ain't gon' keep her
Trust me, I don't need her
I know back then, she ain't want me either
I don't even need her
She just want me and I ain't gon' keep her
