

## Go Back

Jelly Roll

From time to time I look back  
I got back

Uh, there was something special bout the times that we had  
Our loved ones in the penitentiaries, couple in rehabs  
We each had same opportunity, now he mad  
'Cause I been doing since coming home looking like he mad  
I heard that she mad, 'cause she ain't had me at my best  
Life gave us different lessons, I guess we ain't passed he test  
There's a reason everything happen  
I bought another ticket for the ride  
This time the seatbelt's fastened  
Thinking back I loved them days, I wouldn't change a thing  
'Cause life is evolution, had to fall to spread my wings  
Now I sore through the clouds with the woman of my dreams  
I go back from time to time to see the duty chaos brings

I wish that I could go back  
To the times that we was younger  
And we ain't had no worries at all  
I wish that I could turn back  
The hands of time and freeze em  
But it's more than a clock on the wall  
We used to roll all night and just blown  
Back and forth over those train tracks  
We was young, dumb, and broke  
Didn't wanna go home  
Man I wish that I could go back  
That I could go...

Young, dumb and broke  
Just tryna get out the hole  
The sound of a tortured soul  
Its water boiling on the stove  
Mama singing "Ooh child, things are gone get easier"  
Meanwhile I'm bout to move out  
Thinking I ain't in need of her  
16 with a chip on my shoulder, I couldn't budge  
I thought I was a grown man and so did the judge  
Now I'm riding reminiscing  
Thinking how I overcame challenge  
Wish Ice Mike woulda listened  
'Fore they gave the man all them calendars  
Reece just did 18 years, he's home and he's feeling fine  
But he wasn't even 18 year old when that man committed that crime  
And I'm just riding, rotating right now and I'm reflecting  
I'ma roll one up and have a freestyle session

I wish that I could go back  
To the times that we was younger  
And we ain't had no worries at all  
I wish that I could turn back  
The hands of time and freeze em  
But it's more than a clock on the wall  
We used to roll all night and just blown  
Back and forth over those train tracks  
We was young, dumb, and broke

Didn't wanna go home  
Man I wish that I could go back  
That I could go...

You know I'm blessed to be where I'm at  
Never thought that we'd make it this far  
And I love where I'm at today  
But some days I just wish I could go back

I wish that I could go back  
To the times that we was young  
And we ain't had no worries, none at all  
I wish that I could go back  
Turn the hands of time and freeze  
But that's more than a clock on the wall

I wish that I could go back  
To the times that we was younger  
And we ain't had no worries at all  
I wish that I could turn back  
The hands of time and freeze em  
But it's more than a clock on the wall  
We used to roll all night and just blown  
Back and forth over those train tracks  
We was young, dumb, and broke  
Didn't wanna go home  
Man I wish that I could go back  
That I could go...
