

Halfway To Hell

Jelly Roll

(To save you, boy, He gave His only begotten son
And whoever, whoever believes in Him
Will be saved, you shall not perish, you will not be saved because of your good works
You will not be saved because of your good deeds
You are saved by Jesus Christ)
Yeah

I'm a county jail revival, I'm a bottle and a Bible
I'm a rolling stone disciple with a cross across my face
I'm a trailer park tornado, jagged edges on my halo
Hope the chariot gon' swing low and carry me away

This little light of mine damn near burned me alive
Lord knows that Mama tried and I don't know if I'm

Halfway to Heaven or halfway to Hell
My angels and demons at war with myself
One foot in the fire and I still can't tell
Am I halfway to Heaven
Halfway to Heaven or Hell?

I'm a dive bar Sunday sermon, holy water with my bourbon
Standin' on a bridge I'm burning' with a can of gasoline
Am I worth savin' if I'm always fadin'?
It feels like I'm caught in-between

Halfway to Heaven or halfway to Hell
My angels and demons at war with myself
One foot in the fire and I still can't tell
Am I halfway to Heaven
Halfway to Heaven or Hell?

This little light of mine damn near burned me alive
Lord knows that Mama tried and I don't know if I'm

Halfway to Heaven or halfway to Hell
My angels and demons at war with myself

Halfway to Heaven or halfway to Hell
My angels and demons at war with myself
One foot in the fire and I still can't tell
Am I halfway to Heaven
Halfway to Heaven or Hell?

Halfway to Heaven or Hell

(Be lost to the fiery lakes of Hell
Because once you believe, you have crossed over from death to life
So what are you waiting for? What will you do?
We are told to simply repent to be baptized...)
