

Loser

Jelly Roll

I'm just a loser
I'm just stating the fact
It seems like I can never get on track
And I keep having dreams that I can be a champion
But I feel like I'll never get the chance for that cause I'm a loser
I'm just a I'm just a I'm just a loser
I'm just a I'm just a I'm just a loser
I'm just a I'm just a I'm just a loser
A loser yes I'm the biggest loser

I feel like if I say my problems then nobody would care
It's like I really need somebody but nobody is there
So now smoking weed staring off in outer space
Thinking how can I keep my family out of this place
And the day to day struggle is finally getting me down
Feel like a Underground King but I haven't been found cause I'm that
Dope, I'm funny like your favorite fat
Joke but I deal with always act broke
Been running from reality I been escaping it
Meanwhile I fucked off some good relationships
I can't sleep at night I never relax at
Night I lay awake and wish I was wherever shes at

I'm just a loser
I'm just stating the fact
It seems like I can never get on track
And I keep having dreams that I can be a champion
But I feel like I'll never get the chance for that cause I'm a loser
I'm just a I'm just a I'm just a loser
I'm just a I'm just a I'm just a loser
I'm just a I'm just a I'm just a loser
A loser yes I'm the biggest loser

I'm haunted by my past and it's catching up
Faster my past is not a friendly ghost like Casper
Accept it all cause yall know how the game
Goes, am I chasing a dream or just chasing a rainbow
Man, I'm tryna make it in this music but I feel like I'm chasing me a
Optical illusion it, it sucks a man this games mirage and I just
Don't understand I'm so close but so far
And I don't really get it cause I know I go hard
I don't need to have a million dollar car in my garage
Somebody tell Hollywood I'm finally moving
In and then we will finally see a loser win

I'm just a loser
I'm just stating the fact
It seems like I can never get on track
And I keep having dreams that I can be a champion
But I feel like I'll never get the chance for that cause I'm a loser
I'm just a I'm just a I'm just a loser
I'm just a I'm just a I'm just a loser
I'm just a I'm just a I'm just a loser
A loser yes I'm the biggest loser
