

# Molly

## Jelly Roll

Molly, molly

Man, I'm in love with the (molly, molly)

Yeah, man, we doing something different baby (I'm feelin' pretty good on the ) (molly, molly)

I donno if y'all are on this, but you asked, so I'm here (I ain't on that x, I'm on the) (molly, molly)

But we be on that molly (ok)

We used to be about the x (x)

But now we on the molly (molly)

We used to be about the x (x)

But now we on the molly (molly)

We used to be about the x (x)

But now we on the molly (molly)

A game

Molly, molly, everybody popping it

Molly, molly, the whole club gone on it

Molly, molly, I swear my folks faded on it

Molly, molly, 'cause we don't pop the x we pop the molly

We used to be about the x (x)

But now we on the molly (molly)

We used to be about the x (x)

But now we on the molly (molly)

Molly, molly, everybody popping it

Molly, molly, 'cause we don't take the x we on the molly

8 p.m. and it's eight of us, I need a trail pack

Somebody told me you the man to get the j fakes

I break 'em down, then I pour me and my drink (drink)

I pass around the cup 'til everybody's straight (everybody's straight)

Do this everyday (hey)

We be gettin' paid (hey)

Fall off in the place (hey)

Pistol on my waist

I'm on the gear just excuse me, I'm moving

I look at little mama, like what are you doing? (Oh!)

It's Jelly (oh!) You know the name (oh!)

You know the move, neat bitches, A-game

I kept the gangster going back to the basic

Ask her about my whole squad, every week we shake shit

Molly, molly, everybody popping it

Molly, molly, the whole club gone on it

Molly, molly, I swear my folks faded on it

Molly, molly, 'cause we don't pop the x we pop the molly

We used to be about the x (x)

But now we on the molly (molly)

We used to be about the x (x)

But now we on the molly (molly)

Molly, molly, everybody popping it

Molly, molly, 'cause we don't take the x we on the molly

It's 'bout the time man, I'm feeling alright  
And I've been waiting to pop this pill all night  
I'm feeling lay back, then I start feeling super hyped (super hyped)  
Tell the DJ play that molly song or we gon' start a fight

I'm gone in this bs see as bouncers sat aside  
I'm in my zone in this bitch, hear the whole club high  
See the hustlers in the back, back tryin' to get the back ball  
Them gangsters on the dancefloor bouncing with they shirt off

You know that we don't care when you sex in the air  
Gettin' money over here, hey, what y'all doing over there?  
I look at Jerry Jia (where?) Man, I think I'm chicken (bruh)  
Standing on a couch like VIP like I don't give a fuck

Molly, molly, everybody popping it  
Molly, molly, the whole club gone on it  
Molly, molly, I swear my folks faded on it  
Molly, molly, 'cause we don't pop the x we pop the molly

We used to be about the x (x)  
But now we on the molly (molly)  
We used to be about the x (x)  
But now we on the molly (molly)  
Molly, molly, everybody popping it  
Molly, molly, 'cause we don't take the x we on the molly

Everybody, put your middle fingers up  
Put your middle fingers up  
Put your middle fingers up  
Now everybody, everybody  
Screaming, "We don't give a fuck"  
Screaming, "We don't give a fuck"  
Screaming, "We don't give a fuck"

(Molly, molly) yeah, it's Jelly Roll  
(Molly, molly) it's Black Clan Music  
(Molly, molly) y'all know what it is  
(Molly, molly) it's Bank C, baby

We used to be about the x (x)  
But now we on the molly (molly, tell 'em)  
We used to be about the x (x)  
But now we on the molly (molly, it's Cash Pier)  
Molly, molly, (salute)  
Molly, molly, (told 'em, told 'em)
